

The Cottage Grove Strawberry Fest Committee is proud to announce **Staci Paul** as the winner of our 2008 Logo contest, with a winning entry titled "Gettin' Groovy in the Grove"!

Staci is a 19 year old Art student at the University of Wisconsin-Stout, majoring in Graphic Design with a minor in Digital Photography. She has lived in Cottage Grove nearly all her life, with a family that includes one sister and two brothers. It's no surprise to the committee that her interests include photography, drawing, and painting. Look for Staci at this year's Strawberry Fest parade on June 14th, where she will serve as Grand Marshal!

The committee appreciates all of the many entries we received. We had numerous participants in this year's contest, with terrific ideas and artwork submitted by all. We hope for even greater interest next year.

Once again, congratulations Staci! We can't wait to "Get Groovy" in June!
